

Youth Pride, Inc. is Rhode Island's only nonprofit specifically dedicated to LGBTQ youth (up to the age of 23!)

In addition to the programs listed below, we also have a Basic Needs Pantry for youth to access food, clothes, toiletries, and school supplies. Our two licensed clinicians conduct one on one individual counseling by appointment. We also provide case management; meaning we can help youth with food insecurity, housing concerns, mental health woes, GED assistance, and so much more. All of our programs and services are free. If you are interested in accessing our pantry, counseling, or case management services please email us at info@youthprideri.org

These are our current virtual programs ; The Way Out, Gender Spectrum, and 13 and Under each meet in -person once a month. In -person dates are announced at the start of each month. Check our website, calendar, or shoot us an email for these in -person dates! Mostrando Orgullo meets in -person every week.
